JOINT NEWS

TOGETHER WE MAKE WAVES OF CHANGE - UnitingWorld's Annual Fundraising Drive. As a valued partner of the Australian Government, we can access funding each year to implement poverty alleviation, gender equality and climate change programs overseas. *We have committed to raising \$1 for every \$5 we receive from the Australian Government. This means your donation will be combined with funding from the government to reach more people. UnitingWorld and our church partners are so grateful to have you standing with us. We couldn't do any of this without your faithful support.*
